

### Spring 2017

Dear All,

Our first week of the new half term has been packed with activities. Many of you attended the online safety workshop. The information given highlighted the dangers of children having unsupervised access to the Internet via apps and social media and what parents can do to keep their children safe. I have attached a sheet with information about apps to be wary of for those of you who were not able to attend. Year 3's Breakfast and Books event was very successful and the food was kindly provided by Warburtons. It is unfortunate that tea and coffee cannot be provided but as I am sure you appreciate, having hot drinks in classrooms is a health and safety issue.

Finally, World Book Day was a huge success again. I am aware that not everyone agreed with the Harry Potter theme, but felt it was a good idea to promote British Values and democracy and allow the children to vote for the theme that they wanted. The pictures overleaf show happy children enjoying their day.

Have a great weekend.
