Summer term at Pool Hayes Nursery

This half term our topic is...

We are all super!

This half term we will be learning all about what makes us, and those around us, super! We will start by thinking about superheroes and what their super powers are. Then we will be finding out about the superheroes in the real world; doctors, nurses, police officers, fire-fighters, builders and plumbers! As well as many more, because 'we are all super'!

Here are some of the stories we will read this half term...

...as well as lots of others that the children choose!
